

# WALKING SCHOOL BUS PROGRAM

Dear Parent,

The McKinley Elementary School PTA Safe Routes to School committee will be organizing a walking school bus program for the 201\_/1\_ school year.

A Walking School Bus (WSB) is a group of children who walk to school together under the supervision of an adult leader. We have had 4 successful "WSB" since the fall. The program promotes good health, a cleaner environment, and reduced traffic around school.

To participate in the program, please read, complete and sign the registration form at the bottom of the page. Parent participation is **not required** for students to participate. We will need volunteers to help our school buses run! We are seeking parents and community volunteers.

Live "too far" away? Opportunity for "drop off" points 2-3 blocks away from school for your child to join the walking school bus.

## Notes:

- \*Students will be contacted with exact start date and location.
- \* Your WSB Team may operate every morning or less often - for example, only in the mornings or on certain days, etc., as the schedules of the WSB Leaders allow.
- \* Please indicate if you are able to lead the school bus or know someone in the community who may want to participate).
- \* Walking School Bus safety information will be provided to every participating family.
- \* Walking School Bus leaders will be provided safety information and complete a background check.
